## **Women and Girls Fund to hold ‘Generational Divide’ workshop July 17**

WAUKESHA (July 5, 2018) – The Women and Girls Fund of Waukesha County will host ‘Generational Divide: The Challenges of Leading Today’s Workplace,’ to help leaders and employees from all generations learn to better unite individual characteristics for a healthy workplace culture.

The event will be held on Tuesday, July 17, from 4-5:30 p.m. in the conference room at the Ruekert & Mielke Building, W233N2080 Ridgeview Parkway, Waukesha.

“With our Women’s workshop series, we are honored to be able to bring relevant and meaningful topics to the forefront,” said Michelle DuBord, Executive Director of the Women and Girls Fund. “The workplace is something that has changed so much from a traditional environment.”

The Women and Girls Fund will welcome founding partner of K-T Training Solutions LLC, Karie Stupek as the featured speaker. Stupek is a leading expert on the generational challenges in today’s workplace and has speaking experience on generational and workplace dynamics.

Attendees will look at influences and characteristics of the four predominate generations while learning strategies and tips to effectively engage them in a workforce.

There will also be an emphasis on millennials for workplace leaders to learn useful practices in working with differences in desires and needs of this young generation.

“We are excited to be able to share information that can help everyone in the workplace,” said DuBord. “It’s really about how different generations can communicate with multiple age groups in the workforce and really understand each other.”

This seminar will provide focused tools for business owners, human resources leaders, team leaders, managers, supervisors and all members in a multi-generational staff.

This session is free, but registration is requested by July 10. To register, call 262-875-3126 or [contact@wgfaukeshacounty.org](mailto:contact@wgfaukeshacounty.org).

The Women and Girls Fund, established in 2004, seeks to aid and enrich the lives of women and girls so they become thriving residents of their communities. Its signature event, the annual Women of Distinction luncheon, was held May 8 at Country Springs Hotel. The event raised over \$150,000 to support grants in 2019.
